FLAG FOOTBALL PLAYBOOK

Directions: You are to create a flag football playbook. The playbook will consist of 5 different plays involving a team of 6 or 7. The center can be involved in running patterns after the snap. You will be graded based upon the following rubric. Please attach this page as the cover page to your playbook. BE CREATIVE!!!

	A	B	C	D
Neatness	The playbook is handed in with the cover page attached. Writing is typed and diagrams are done on the computer.	The playbook is handed in with the cover page attached. Writing is typed and diagrams are done free hand using a ruler.	The playbook is handed in with no cover page attached. Writing is typed and diagrams are done free hand using a ruler.	The playbook is handed in with no cover page attached. Writing is handwritten and diagrams are done free hand.
Complexity	5 players on offense are doing 5 different patterns. Using patterns from class and new patterns. Incorporating a running back with the receivers. (Quarterback will not run)	5 players on offense are doing 4 different patterns. Using patterns from class and new patterns. (Quarterback will not run)	5 players on offense are doing 3 different patterns. Only using patterns from class. (Quarterback will not run)	5 players on offense are doing 2 different patterns. Only using patterns from class. (Quarterback will not run)
Explanations	Explains in detail which pattern each player is running. Explains how this play can trick the defense. Also includes when this play is to be used.	Explains in detail which pattern each player is running. Explains how this play can trick the defense.	Briefly explains which pattern each player is running. Explains how this play can trick the defense.	Briefly explains which pattern each player is running.
